Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the 5 & 134 Freeway Electric Vehicle DC Fast Charging Network project in surface transportation reauthorization legislation.

The project sponsor is the City of Burbank, CA. This is a rolling project, with multiple locations along the Interstate 5 and State Route 134 freeway corridor in Burbank, CA.

The funding is designated for the expanded installation of electric vehicle fast charging stations along the I-5 & SR-134 Freeway corridors for use by commuters, visitors, and residents.

The project is an appropriate use of taxpayer dollars and is anticipated to promote widespread EV registrations in the City of Burbank and throughout the region, expand the infrastructure for Residential, Commercial, and Public Charging, and reduce greenhouse gases and air pollution in the City of Burbank.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Adam B. Schiff".
