Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Beverly and Robertson Boulevards Complete Street Improvements project in surface transportation reauthorization legislation.

The project sponsor is the City of West Hollywood, CA, and the project is located on Beverly and Robertson Boulevards, in West Hollywood, CA, 90048.

The funding is designated for pedestrian safety improvements, accessibility upgrades, upgraded street furniture, electric vehicle charging stations, and smart city infrastructure like municipal fiber optic cables and autonomous vehicle ready smart nodes. Reconstruction of the roadway along both segments will allow for new curb extensions reducing crossing distances, wider sidewalks, in-roadway warning lighting at midblock crosswalks, upgraded roadway and pedestrian lighting, medians, new bicycle lanes and parking, stormwater management, and landscaping.

The project is an appropriate use of taxpayer dollars and is anticipated to improve traffic safety, strengthen the local economy, encourage a shift towards sustainable active transportation, and futureproof local infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Adam B. Schiff". The signature is fluid and cursive.
