House Appropriations Committee
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Architectural Improvement for Accessibility of Elderly in fiscal year 2024. The entity to receive funding for this project is St. Barnabas Senior Center of Los Angeles, located at 5170 Santa Monica Blvd. Los Angeles, CA 90029. The funding would be used for renovations to expand the space, replace the HVAC system, update the tile to safe flooring, and ensure all areas of the center are accessible to the elderly and disabled. The project is an appropriate use of taxpayer funds because the population of older adults is the fastest growing segment of the overall population in the 30th Congressional District of California. SBSS provides multiple services to this population, offering daily meals, group classes, social services, case management, transportation, tech education, family caregiver support, advocacy, and more.

The project has a Federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Adam B. Schiff". The signature is stylized and cursive.
