The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the City of Pasadena Water and Wastewater System Replacement in Fiscal Year 2025. The entity to receive funding for this project is the City of Pasadena, located at 100 Garfield Avenue, Pasadena, CA 91101. The funding would be used for the replacement and repair of the Rose Bowl Stadium's water and wastewater (sewer) systems. The project is an appropriate use of taxpayer funds because the funding will help the Rose Bowl Stadium meet applicable water standards by improving drinking water quality, improving surface/groundwater quality, and improving the overall safety of wastewater and water transport to final destinations around the stadium site plan given the severe aging of the water and wastewater assets.

The project has a Federal Nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Adam B. Schiff". The signature is stylized and cursive.
