The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Student Equity and Inclusion Center at Glendale Community College in fiscal year 2024. The entity to receive funding for this project is Glendale Community College District, located at 1500 N Verdugo Rd, Glendale, CA 91206. The funding would be used to renovate existing unused space at the main Verdugo Campus of the District and convert it into non-general business space to be used by disproportionately impacted students and the general public. The project is an appropriate use of taxpayer funds because it has the potential to address issues of equity, promote economic vitality and social mobility, and reduce the long-term educational appropriations that the State and Federal governments invest on an annual basis.

The project has a Federal Nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Adam B. Schiff". The signature is stylized and cursive.
